NEWS FROM TEXAS AND ARKANSAS.

Recent Operations of the Rebels in those States.

We have received from the Houston (Texas) Daily Telegraph, covering dates from the 10th of October to the 14th of November, with exception of Northern news, reports of the ravages of the yellow fever in Texas, and advertisements, we find nothing in these papers of interest except what is given below:

SOUNDING OF THE BELL IN ARKANSAS.

From the Houston Telegraph, December 1.

The following letter from Captain James Martin to his brother appears to the people of Houston for clothing, and we trust no time will be lost in making up a good shipment for this command. Many of the men went from this city, and being men of small means, are unable to clothe themselves. They must not be permitted to suffer.

FRANKLIN DE HANDE, ARK., October 18, 1864.—I have to write you a begging letter at last. My company is completely destitute of clothing, and there is none in this Department. It is very cold. You must try and raise us enough to keep the boys from freezing. And don't be too slow about it either. Send the clothing to James Martin, Captain C. Martin, Houston, Lane's Cavalry Regt., Major's Division, Wharton's Corps, Ark., via Shreveport.

Yours, JAMES MARTIN.

T. S. Our regiment will probably be consolidated with Hayler's.

MAILS ACROSS THE MISSISSIPPI RIVER.

AGENCY POST OFFICE DEPARTMENT, TEXAS.

MISSISSIPPI, MARSHALL, TEXAS, Sept. 1, 1864.

The Agency is now able to announce to the public that the mails are regularly conveyed, weekly, across the Mississippi river, from east to west, and west to east, under every possible security against future interruption.

Persons sending eastward should mark their letters "Express Mail via Shreveport," or "Express Mail via Alexandria, Louisiana," as one or the other point may be most convenient. Those on the east side of the river sending westward should mark their letters "Express Mail via Houston," or "Express Mail via Meridian, Mississippi."

The packages by this mail may be prepaid at any office, at forty cents the single rate of each half ounce, or fraction of half ounce.

The Agency is prepared to furnish twenty-cent stamps on requisition by Postmaster.

JAMES H. STARR,

Agent P. O. Department Trans-Miss.

THE FRENCH AT MATAMORAS.

There appears to be a good feeling between the two banks of the Rio Grande now. We take the following from the editorial correspondence of the New York:

The best understanding exists between the newly established Government on the other side and our authorities, and there is no reason to apprehend that any further trouble will occur with our Mexican neighbors, provided the new Government is sufficiently strong to enforce its authority and suppress the robbing parties that have so long committed their depredations with impunity on both banks of the Rio Grande.

A mutual exchange of courtesies has already taken place between General Mejia and General Drayton and their officers. The following is a copy of the correspondence between the commanding officers, which shows the friendly sentiments entertained towards the Confederate States by the Imperial commander:

HEADQUARTERS WESTERN SUB-DISTRICT, BROWNSVILLE, September 28, 1864.—To the Captain-General, Thomas Mejia, Commanding, General.

General.—I have the honor of tendering to you my high consideration, and at the same time to express my gratification at your arrival upon the Rio Grande, where you have the honor of the Empire, under whose folds we may expect that repose and security so long denied to us on account of the treacherous and unjustified warfare waged, in conjunction with the Yankees, against the Confederate States.

But for the gallantry of our forces in repelling this combined attack, the Empire would at this time have had, upon the left bank of the river, bitter enemies, instead of warm friends. To-morrow, at 4 o'clock, I will do myself the honor of calling upon you with my staff, hoping by that time to find you in some measure relieved from the more pressing duties of your responsible position.

Permit me, General, to reiterate the assurance of my high consideration.

(Signed) THOMAS F. DRAYTON,

Brigadier-General Commanding.

HEADQUARTERS IN MATAMORAS, September 28, 1864.—No. 573.—General.—I have received, at this instant, your congratulatory letter for my arrival on the right shore of the Bravo, which I have come to plant the standard of the Empire.

The political significance of this flag is known to you, General—it means peace and progress within my country; cordially and friendly relations in the exterior; protection to commerce and industry; respect to property; and the most ample guarantees to the citizens of all countries who come to develop, in our territory, the fruits of their toil. You can, therefore, rest assured as to the security which your fellow-citizens will enjoy hereafter on the right bank of the river.

I shall deem it a great honor to receive you with your staff, to-morrow, at 4 o'clock in the evening, as you have been so kind as to propose and subsequently I propose to reciprocate this our polite earnest of friendship.

Be pleased to accept, General, the assurances of my affectionate sentiments and most distinguished consideration.

The Commanding General of New Leon, Comandante, and Matamoros.

(Signed) THOMAS MEJIA.

AN EXPEDITION FITTING.

HEADQUARTERS FRONTIER EXPEDITION, ARIZONA, TEXAS, Nov. 1, 1864.—Special Order, No. 17: All companies and recruits belonging to Simm's Battalion, are hereby ordered to proceed immediately to Camp McCulloch, six miles above Waco, Texas, where a rendezvous is established for the organization of the Battalion. By command of S. M. BAKER, Colonel 4th Reg't.

C. L. MARTIN, 1st Lt. Cav., U. S. P. A., and Adj't.

SINGULAR ORDER.

HEADQUARTERS EASTERN SUB-DISTRICT OF TEXAS, HOUSTON, November 7, 1864.—The Brigadier-General commanding regrets he is obliged to call the attention of officers to a reprehensible custom they have permitted, and which is daily becoming more in vogue; communications, rolls, returns, and receipts, have been received at these Headquarters, bearing the name of the officer who should sign them, but in many instances the name of the officer has been appended by his clerk, or other person in his employ.

When, from a physical cause, the officer cannot sign his own name, the fact must be stated; but no one is authorized to have his name signed by another, unless in this event. There are many evils which may arise from this reprehensible practice, and the Brigadier-General Commanding deems it is only necessary to invite the attention of officers to the fact that this is contrary to the requirements of the regulations and existing orders.

By command of Brigadier-General P. O. HERRBY.

S. B. DAVIS, A. A. G.

NEW REBEL MONEY.

HEADQUARTERS DISTRICT OF TEXAS, NEW MEXICO AND ARIZONA.—ANDERSON, November 10, 1864.—Special Order, No. 61.—VIII. Paragraph 1, General Order 154, of these Headquarters, old series, dated August 8, 1864, is hereby revoked. All payments will hereafter be made in new issue, or if in old issue, the discount of 50 per cent. will be observed, the new issue being regarded as the basis of payment. By command of Major-General A. G. WALKER.

STANLEY G. YANCY, Capt. and A. A. General.
